Eligibility Questionnaire / Discounts

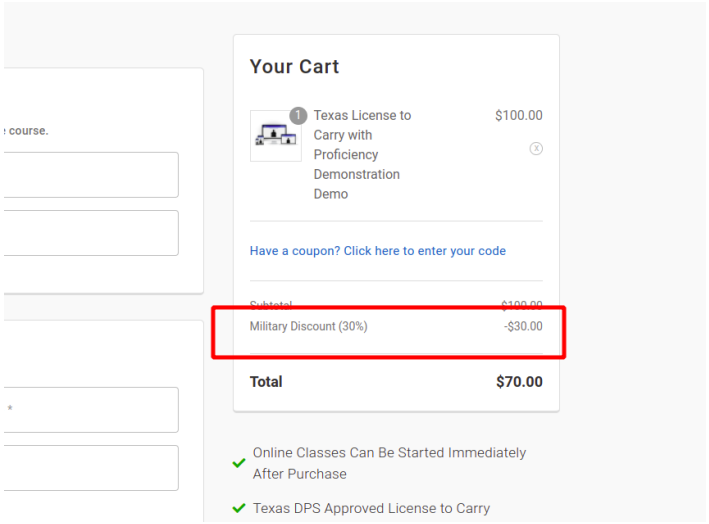

1. Questionnaire tool with conditional logic to determine LTC eligibility.

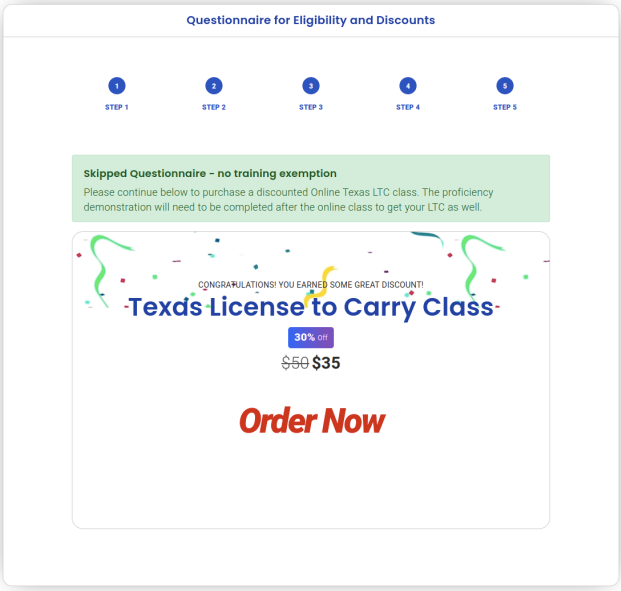

After completing the questionnaire, the student can purchase the class.

2. Discounts for the class are available based on the profession selected.
3. Students can either continue the eligibility questionnaire or go straight to checkout with their available discount.

4. This page will be hidden for all logged-in users. This is to help prevent students that have already purchased the class at a full price through another business from requesting a discount.

   >>> True. Even if the logged-in user tries to load the page directly, they'll not see the questionnaire.
