6. A page timer needs to be set for each video. This prevents the student from proceeding to the next video until the set time (time of the video) has passed.

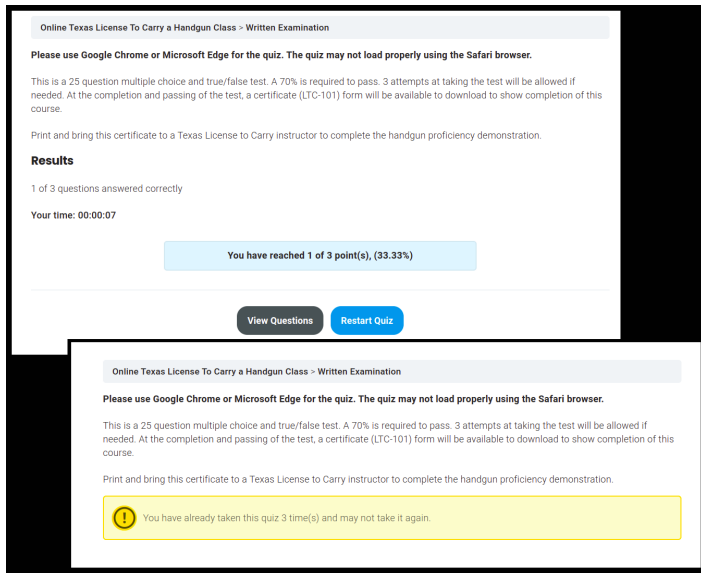

7. Admins need the ability to manually mark the sections complete for students on the back end

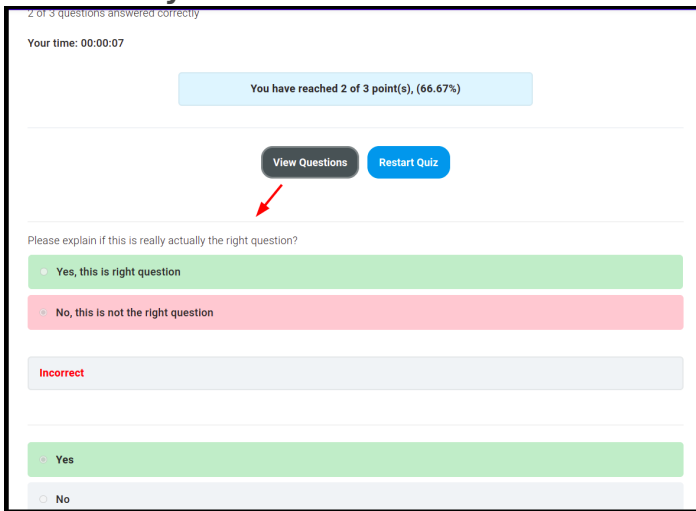

8. Progress is saved at the completion of each video

9. After all the videos have been watched, there is a 25-question multiple-choice test.

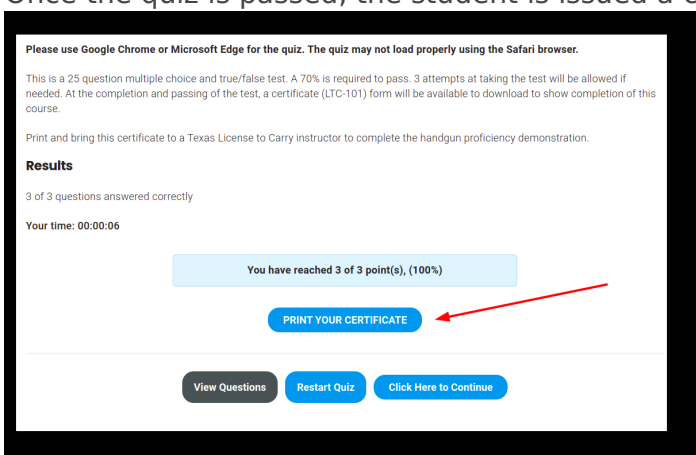

1. A score of 70% or greater must be achieved in order to pass
2. 3 attempts are allowed

10. Students should be able to review their scores and results after taking the test. **This will be the only time to review the test.**

11. Once the quiz is passed, the student is issued a certificate of training

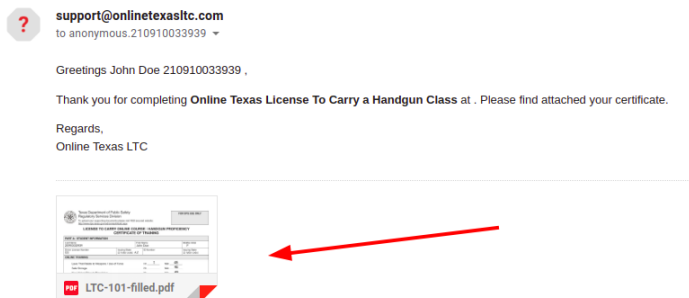

1. This certificate is a specific certificate in PDF or JPEG format from the state of Texas. It must be filled in with the information collected during the intro.

The following data needs to be printed on the certificate:
First name,

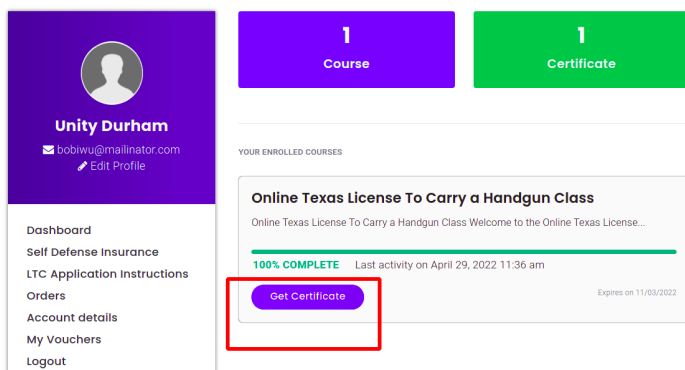

Last name,
 Middle initial,
 driver's license or ID number (depending on which they entered),
 DL/ID state, course completion date

2. The certificate should be emailed to the student

Congratulations - Here is your certificate [Inbox x](#)

3. ... as well as downloadable from their my account page in PDF format.

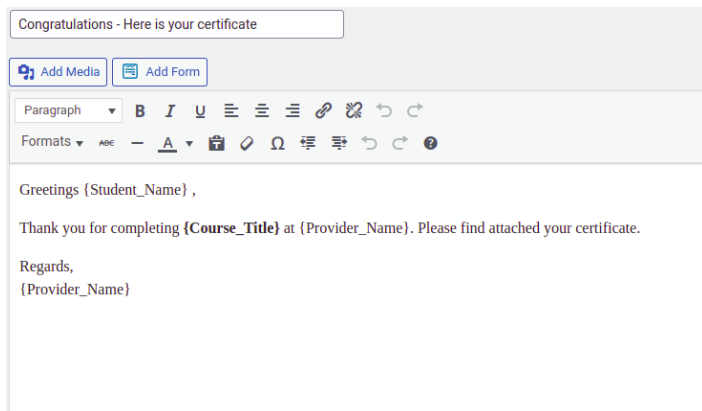

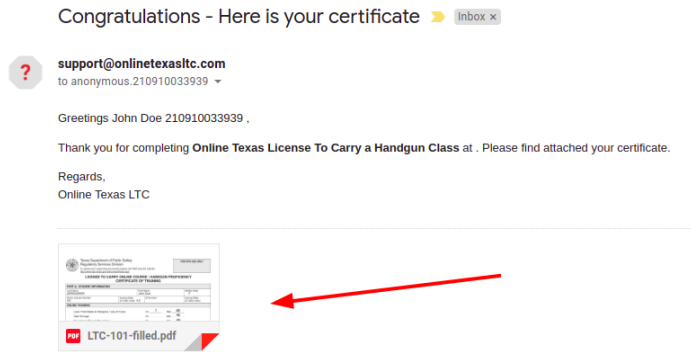

4. The additional empty fields in the PDF should be fillable.

12. Also after the quiz is passed, multiple emails are sent out.

1. The 1st is a course completion email. This email goes to the student and has customized and the content is specific to the business that the student purchased the class through as well as to which product from the business that the student purchased.

2. The next emails sent out go to the email addresses of the business that the class was purchased through notifying that the student passed the class and with contact information for the student

Email received by Provider Admin when a student completes the course!

- 13. There is also an LTC Refresher class. This course consists of 4 videos with no page timers and no quiz.
- 14. Need the ability to add additional classes if desired
