# Proficiency Demonstration

1. Proficiency Demonstration Page (interactive map: https://onlinetexasltc.com/proficiency-demonstration/)
2. As referenced above in the business portal, this page is for students to find instructors to do the proficiency demonstration with.
3. It will include an interactive map that students can put their zip code in and find one of our partnered businesses near them.

4. Businesses can opt-in or out of being listed on this page from the business portal

5. Businesses can also be manually added to this page from the back end (super-admin).
